IMPORTANT QUESTIONS TO PRAY OVER

- 1) Where do you experience abundance in your life? Consider all the things that bless you now, and have blessed you in the past. Where do you experience material and non-material abundance?
- 2) What brought you here to St. Jude's? Travel back in time and reflect upon where you were and what you were doing at the time you joined St Jude's. Consider where you felt "abundance", or blessings, then.
- 3) What keeps you here at St Jude's? Consider the blessings you experience during your presence here. Where do you think St Jude's "abundance" can be found?
- 4) How can our abundance be put into action at St Jude's? Consider where we could use our abundance to act in our parish; in our surrounding community; and in the world.
